AMERICAN LEGION

Atlantic City, N. J.

of 50 Long Dear

May 12th. 1944.

Dear Mrs. Manley -

I certainly hope
 you have a clear day Sunday.
 There are 2 (two) parks, you could use
 here, The Inlet & Bader field where
 the Yankees trained.

The lights can be made available
 at the Inlet. I wish you would come
 down some Monday and look the
 parks over.

Cordially Yours,
 Raymond G. Robinson
 Commander.
